MARIANISTS' PROVINCIAL ARRIVES IN ALTONA

The arrival in Melbourne of the Very Rev. Fr. Leonard M. Fee, S.M., who is the Provincial of the Marianists' Province of the Pacific, spotlighted Altona in the news.

Fr. Fee is here to finalise plans for the building of the Boy's Regional High School on the 19-acre site in Altona North, with frontages to Blackshaws and Chambers Roads.

The cost of the site was \$60,000 and it is estimated that the cost of erecting and equipping the high school will be a further \$250,000.

Education at the secondary level for Catholic boys from Newport, Williamstown, Werribee, Altona, Kingsville and Spotswood will be provided and the cost of the school will be shouldered by the members of these six parishes.

Fr. Fee expressed his pleasure that the Altona North site had been chosen. It was selected after he had visited all the mainland Australian States in 1960. He said that the people in the area were the good, industrious type and the Marianists were happy to be able to provide for their boys a schooling that would equip them well.

New methods and approaches to teaching that are current in the United States of America may be tried here. These include new methods of teaching physics and maths and techniques such as overhead projectors. School television is coming into wide usage in the United States and may be tried here.

The maximum number in a class at the school would be 40, and while for a start one priest and four brothers of the Marianist order would teach during the first year, the staff would eventually increase to 30 (priests and brothers) and 10 lay teachers.

Building will commence in October of this year and the school will open for enrolment in February, 1965.

STRUCK A CONSTABLE

William Charles Hynds, 44, of Myrtle Grove, Altona, was charged with having assaulted First Constable Graham Stow, on July 3. Hynds pleaded guilty.

Evidence was given that Stow went to Myrtle Grove about 7.30 p.m. and saw defendant's wife on a couch with a blanket over her.

When asked for an explanation, Hynds said his wife would do nothing in the house all day.

He had come home, opened the refrigerator for a bottle of beer and was drinking it. His wife came in and pushed the bottle and glass away and broke them.

Stow told him that this did not excuse him striking his wife. Hynds son interrupted that he had told him he would call the police if he struck his mother again.

Hynds, in a temper, tried to grab his son, the constable, holding him back, was struck on the chest. The wife was treated at the hospital for a suspected injury to a vertebrae.

The defendant was fined \$5 in default 5 days.

First Constable Graham Stow, 28, married with three children, was killed in an accident near Little River on July 5. His motor cycle ran off the road and he crashed into a concrete bridge pillar.

THIEVES ACTIVE
A 12 ft. Clinker built motor boat was stolen from the beach at the back of the "Pines" Scout Camp between July 15 and 20.

Following the storm the owner of the boat had pulled it up on to the sand. It is valued at £130.

Sixty-four feet of copper tubing valued at £7 has been stolen from the Catholic Girls Secondary School, which is under construction in Maidstone Street, Altona.

ing Newport on the 5.45 p.m. through Williamstown train with which the Altona train was scheduled to connect. A similar disparity was evident on both the 4.40 p.m. and 5.12 p.m. through trains to W'town.

"In such a situation and bearing in mind the great advantage held by W'town passengers by reason of their more frequent service, we felt it was only equitable to provide additional through trains on the Altona line at times when the preponderance of travel to or from Newport favours that line."

AIR POLLUTION

Mr. C. J. Sharp, representing consulting analytical chemists, Sharp & Howells, met the Altona Shire Council last Tuesday to discuss air pollution and its effect in Altona. Results were inconclusive. Mr. Sharp thought the deposition of soot was Altona's biggest problem.

Sulphur dioxide and hydrogen sulphide could be produced by stagnant water, seaweed or industry. Extensive, on-the-spot tests at the time of occurrence would be necessary to pin point particular causes.

Dealing with soot deposition he said the staining of houses was more likely to be from soot. It was difficult to detect source as so many industries could cause it, such as, Carbon Black, the Refinery or other industry.

In answer to Cr. S. McIntosh, he said household fuels would have little effect on the atmosphere—not so much as coal in England.

Mr. Sharp was not asked, and did not explain why certain houses were unaffected, but it seems certain types of paints are immune from trouble.

Air pollution could also be from hydrogen sulphide and sulphur dioxide. He suggested, as a preliminary measure, that when the nuisance is evident a portable hand tester should be used. In this way it would be very little trouble to take successive readings and form an opinion as to the source of the pollution. There is already a tester for hydrogen sulphide in the Seaholme area. The Clean Air Committee also reads every day a tester for sulphide dioxide near the old shire offices. This latter tester has only recently been installed. So far no significant reports have been received.

Cr. H. W. Lee asked which gas has the most harmful effects.

Mr. Sharp replied that sulphur dioxide has caused epidemics—it caused a considerable number of deaths in England to people with bad respiratory conditions.

Asked about tests for these gases Mr. Sharp said the Clean Air Committee had one tester in Altona and if readings were no worse than the testers in other sections of the metropolitan area, there was no problem of air pollution in Altona. Only the Clean Air Committee can answer the question as they have testers installed all around Melbourne.

He suggested the Clean Air Committee be asked to attend a council meeting as he had.

Mr. J. W. Waters, shire secretary, remarked that the Clean Air Committee works on a general basis in the metropolitan area rather than in a specific place.

It was finally agreed to get more background information from the Clean Air Committee.

P.R.A. SAFETY APPOINTMENT

MR. J. A. REID

Mr. J. A. Reid has been appointed safety and security supervisor at the Altona Refinery of Petroleum Refineries (Australia) Pty. Ltd.

Jim Reid has had 20 years of experience as a specialist in industrial safety including four years as safety advisor for the Snowy Mountains Scheme and many years with General Motors Holden. He has, since 1952, been a Fellow of the Safety Engineering Society of Australasia and was twice president of the group.

Jim brings with him to Altona industry a wealth of knowledge and practical experience in the field of safety.

BIKE SHOP ENTERED—INTRUDERS CAUGHT

Mr. Fred Manning's bicycle shop in Queen Street, Altona, was broken into on Sunday morning.

However, the intruders, two boys of 14 years, were apprehended and placed in the hands of the police.

When the night patrol examined the rear of Mr. Manning's shop at about 3 a.m. on Sunday morning they found a hole had been made in the window. On closer inspection it was found the shutters behind the window had been forced and broken.

Suspecting thieves, they entered through the window and found two lads endeavouring to hide. Also found were two sugar bags filled with goods from the shop.

SHIRE OFFICES OPEN TUESDAY

The Shire of Altona Administration will move into the new offices at 115 Civic Parade on Tuesday.

Mr. Waters, shire secretary, advises that there will be five phone lines rotating on the existing 65-8181 number.

The postal address remains at Post Office Box 21.

Office hours will be 8.30 a.m. to 4.30 p.m., but Mr. Waters appeals for co-operation of ratepayers and traders to keep inquiries and calls to a minimum during the moving period to make the move as smooth as possible

BOARD OF WORKS DRAIN

Work on the Cherry Swamp drain eastwards from Millers Road to the Bay will commence as soon as practicable.

Plans have been received by the council giving further details.

From Millers Road to Cambridge Street the drain will be an open earth channel with a 36" open half round concrete drain in the centre.

From behind Cambridge Street to the new railway bridge and from the railway bridge onwards a concrete paved open channel with 90" bottom width will continue to the sea.

The paved area will largely cover the section of the drain subject to tidal sea water.

SURVEY FOR RAILWAYS

The recent increases in through trains on the Altona line might have been thought to favour Altona at the expense of W'town.

However, the Railways Department considering all facts thought the change justified. Extracts from a letter from the Department are as follows—

"Referring to your letter of July 2, we are glad to know that your council is pleased with the additional through trains now operating on the Altona line. At the same time we have noted your comments about the way in which the changes have affected the service of Williamstown line.

"However, we feel that the alterations made were quite justified in view of the way in which the population trend in both areas has varied over recent years.

"Naturally, before making the changes, the number of passengers travelling on both the Altona and Williamstown lines during the peak hours was closely watched and quite a few interesting aspects came to light. For example, it was found that the local train leaving Newport for Altona at 6.8 p.m. was carrying about 210 passengers, whilst there were only 85 passengers leaving Newport on the 5.45 p.m. through Williamstown train with which the Altona train was scheduled to connect. A similar disparity was evident on both the 4.40 p.m. and 5.12 p.m. through trains to W'town.

THE CHURCH AND THE COMMUNITY

A certain man had a dream. He went out late one night to post an urgent letter. On reaching the familiar corner he found the post box was no longer there. He was greatly distressed. A service he had taken for granted and had so often used, was missing. He did not know what to do. In his consternation of course he woke up.

If by some dispensation the Baptist Church with its fine record, disappeared from Altona would it be missed? Would its loss be felt like the post box? If any or all the churches vanished what concern would there be? They are certainly taken for granted by most people. The sense of loss would depend on the churches contact with the general community.

This can, we feel, be measured by only two standards.

There is first of all the effect of the hidden heaven of active or passive christian witness. This, however, can and will be judged by no earthly rule.

Secondly, how far has the church, individually or collectively followed the modern equivalent of the words of Christ: "For when I was hungry, you gave me food; when thirsty, you gave me drink; when I was a stranger you took me into your home; when naked you clothed me; when I was ill you came to my help; when in prison you visited me." These are the fruits by which a church can be known and if present are of far greater value to the community than our postulated post box.

EDUCATION WEEK AUGUST 18 - 24 1963

Religious Education is a vital part of our State School Education. The Council for Christian Education in Schools has been given the authority to organise and develop this work.

It is the aim of the council that every class in primary, high and technical schools should receive religious education from a trained instructor. The accreditation of instructors, their training, and the provision of suitable books are all involved.

Chaplains have been appointed to 13 technical and four high schools, as the C.C.E.S. believes that this is the most effective way to present Christian Education.

Last year approximately 90,000 children who were eligible to receive instruction at school, received none.

Whilst there are some 3,100 voluntary instructors, of whom 1,750 are lay people, it has not been possible to keep pace with the rapid expansion of schools and school population. Many instructors take a number of classes, so enabling a greater coverage than would otherwise be possible. The council is appealing for additional voluntary instructors to assist in its expanding responsibility. Those who apply now will be able to share in training programs in preparation for 1964.

Preparations of a new syllabus has commenced to bring the approach to children into line with current educational trends. Literature made available to instructors is being

Letters TO THE EDITOR

Dear Sir,

After reading your "Buses Again Under Fire" headlines of last week would you please allow me space to enlighten the residents of this shire as to recent goings on re transport.

As most bus travellers between Altona and Footscray are aware, our peak buses have been heavily loaded and so to ease the congestion I informed the Transport Regulation Board of this, and suggested I could rectify this by running extra buses between Paisley and Footscray, as it is the Brooklyn area where the heavy loading occurs.

As the Millers Road area alone did not justify sufficient extra buses, I suggested a new route, starting at Paisley, along McIntosh Highway, Mills Street, Kyle Road and Cyclamen Avenue, and then into Millers Road, picking up where our heavy loading is occurring, and so easing congestion on our Altona-Footscray bus.

It was suggested to Board members and Chairman that they inspect this area and its present transport so that they could get first hand information for themselves, and I am pleased to say they did come out and spend some considerable time in this district, and as I later found, knew all about our transport.

Public Hearing was called at the T.R.B. Offices and anyone was at liberty to give evidence for or against my proposal.

A prominent member of this Council was invited to attend to give evidence on our behalf and although it was not the fault of this particular member, this Altona council

GUIDES AND BROWNIES

Quite a few parents attended the Altona Guide meeting last week, when a "Flying Up Ceremony" was held for Rae Hartley and Moira Duff of 1st Altona Pack, Christeen Henderson, Eyyonne McGowan, Myra Bridger and Dorothy Scott of 2nd Altona Pack.

The Guide Company has 35 Guides, one Guider and the help of an ex-Guider who goes along whenever possible. Because of this, they have opened a School Company at Seaholme, under the guidance of Captain White from Williamstown.

If they wish to transfer to relieve the Altona Company, Captain White will take the tenderfoot girls from Seaholme area.

With such a great number, test work cannot be taught properly and they do not like turning Brownies away. Surely there are mothers somewhere in the district who have had experience with Guiding, and know the pleasure they have received from the movement. Guiders are urgently needed to help your children to be good citizens.

If you are able to help, contact Commissioner Brooks at 65-8892.

2nd Altona Pack
Golden Bar: Nola Kaye, Pauline Warren. Badges: Christeen Henderson, Cyclist; Jill Colvin, Writer; Julie Flett, Swimmers.

On Sunday, July 28, there will be a combined Church Parade at the Presbyterian Church, Cecil Street, W'town, at 2.30 p.m. All Guiders, Guides and Brownies are asked to attend, also local association members and all parents.

Brooklyn have separated from Altona, and are registered now as Brooklyn District at Guide Headquarters. They have their own local association and Mrs. Rogash has been appointed as District Commissioner for that area.

The next Altona Local Association meeting will be held at Mrs. Beales, 24A Bent St., Altona, on July 31, at 7.30 p.m. All mothers are asked to attend.

A.W.M.C. Assoc. Annual Meeting

The third annual meeting of the Associate's Section of the Altona Working Men's Club was held last Monday night. The committee reported a most active and successful year with many of the 223 Associates participating in the various events of the club.

During the year, owing to the initiative of the Associates, the indoor bowls section of the club was formed and bowls are now played regularly each week.

Due to members activities over the past 12 months, the finances of the Associates Section considerably increased.

Members ran street stalls in November and June, a beach kiosk on Ransom Reserve from December to March and other special efforts to raise funds.

Picture nights and a visit to a rubber factory were organised.

Members were pleased that as a result of their efforts they will be handing over a cheque for £850 to the Management Committee of the Club last year they contributed £300.

At the conclusion of the reports, Associates President, Mrs. Elsie Roadley, thanked the committee and members for their help and efforts over the past year. The committee then stood down for election of officers.

The committee for 1963-64

MRS. EDNA HERBERT WELL AGAIN

Members of the Associate's Section of the Altona Working Men's Club were pleased to see Mrs. Edna Herbert attending the meeting last Monday.

Mrs. Herbert was involved in a serious car accident some months ago and after a period in hospital and convalescing at home, members expressed their pleasure at Mrs. Herbert being able to take part in club activities again.

A.W.M.C. ANNUAL MEETING

The fourth annual meeting of the Altona Working Men's Club will be held at the Koorringal Golf Club next Monday night, July 29.

A quorum of 50 members is necessary for this important meeting and the committee urges all members to attend to hear the progress made during the past year.

ANNUAL FETE

The annual fete conducted by the Altona High School Mothers' Club will be held at the school on Saturday, August 10, at 2 p.m.

The club would be most appreciative of gifts of groceries and articles for the white elephant stall and would be very pleased to have donations sent to the school before August 6.

The Mothers' Club will be holding a meeting on Tuesday, August 6, at the school and during the afternoon they will price the goods for the fete.

ST. EANSWYTHE'S LADIES' GUILD

Some members of St. Eanswythe's Ladies' Guild had a busy afternoon last Saturday re-covering kneelers for the church, and arranging for them to be hung.

As a result of their efforts, and of a couple of male assistants, the neatness of the church is much enhanced.

The next Ladies' Guild Street Stall in Pier Street will be on Saturday week, August 3.

DOUBLE BILL AT THE COLVILLES

To celebrate two wedding anniversaries Mr. and Mrs. A. Colville gave a party at their home in Williamstown for Mr. and Mrs. Winfield, of Bracken Grove, and Mr. and Mrs. Bannister, of Laverton.

Mr. Winfield recalled that it was eight years ago to the day they had been given a farewell party on the eve of their departure from England to Australia, at that time they did not know a soul in Australia and it was very gratifying to be co-guests of honour celebrating with their friends their 20th and 22nd wedding anniversaries respectively.

Among the guests were Mrs. Hardaker (Mrs. Winfield's mother), Mr. and Mrs. Frank Wood, of Blyth Street, Mr. and Mrs. Hallenger, of Mitcham, Mr. and Mrs. Bill Anderson, of Rosanna, and many friends from the Williamstown Little Theatre, of which the host is president.

ALTONA HISTORICAL SOCIETY

The Altona Historical Society held its monthly meeting last Wednesday at the home of Mr. and Mrs. H. Weaver, 46 Queen Street, Altona.

The attendance, as at all other meetings, was most gratifying and augers well for the future of the society, but notwithstanding the keenness of the members to tackle the big task in hand, more enthusiasts are needed and there is much material of an historical nature, such as photos, souvenirs, relics and information which is slow in being donated.

Once again the society appeals to old residents and the public in general, to make an effort to look for, part with and give whatever may be of interest so that these treasures of the past can be preserved and added to its museum and library.

Through the kindness of Mrs. and Mrs. H. Weaver, the annual meeting of the society will be held at their home at 8 p.m. on Thursday, August 8, and it would be nice to welcome new members.

A letter received from Cumming Smith & Co. gave the following information—

"The old homestead (the present shire office) and Logan Park were purchased by the company (3½ acres) in July, 1920, and they called it 'Sickle-home' and the homestead with 20 tram cars (used as shacks) accommodated its Yarraville employees from November to Easter each year. The estate was sold to the Werribee Shire Council in 1937."

Surely there are many residents who could enlarge greatly on this information and the society solicits their assistance.

Professor Massola, Curator of Anthropology of the Public Library, Melbourne, has accepted an invitation from the society to give a lantern lecture on the night of August 21, on the aborigines that inhabited Altona and the surrounding districts. A place of meeting has yet to be arranged. The lecture should be of immense interest to the public and an education to the pupils of our many schools.

Before closing the meeting Cr. A. W. Bond (shire president), president of the society gave Mr. and Mrs. H. Weaver a warm thank-you in return for the use of their warm and comfortable lounge and his feelings were shared by all present with no little enthusiasm.

PRESIDENT'S DILEMMA

Why was the Shire President, Cr. A. W. Bond, so reluctant to go home after the last council meeting?

Could it be that he was waiting for the gallery at the meeting to give him a good send off.

Or did he need them to push his car to get it started?

COMING OF AGE

The staff of the Seaholme Primary School took the opportunity on July 10 to celebrate the coming of age of one of its teachers, Miss Dale White, at a morning tea party.

POSTPONEMENT

Last Thursday, July 18, will be a day Cheryl Fleming, of Bent Street, Altona, will long remember.

Cheryl had great plans for the day, her 18th birthday.

On her birthday her engagement to David Gardner, of Queen Street, was to be announced, followed by a party on the Saturday night.

But all of Cheryl's plans went astray when, instead of happily celebrating her birthday and engagement, she was taken to hospital on the very day of her birthday to have her appendix removed.

Cheryl will now be having her engagement party in a few weeks time.

NEW DRIVERS?

Two husbands in Laverton are not very happy with the emancipation of women.

It appears that in the very near future they will be deprived of the exclusive use of the family conveyance.

Why? Mrs. J. Haig, Mrs. N. Jones and Miss C. Jones are all learning to drive motor cars.

BOWLING CLUB NEWS

Mrs. Dorrie Gadsden was the skipper of the winning rink in last Wednesday's social game. Playing with her were Mesdames Alice Newton, Vera Bush and Beryl Davis.

Winners of Sunday's social game were George Bush (captain), Mrs. Ruby Fisher, George Snowden and Mrs. Bill Glad Walls.

Birthday greetings this week to Vera Sevier.

It's congratulations on their 30th wedding anniversary to Jean and Ray Cheasley, and the 19th wedding anniversary for Elaine and Don Siphthorp.

Ladies, do not forget the meeting at the club house next Monday, July 29.

ELDERLY CITIZENS' WELFARE ANNUAL MEETING

The annual meeting of the Elderly Citizens' Welfare Committee will be held in the Elderly Citizens' Hall on Tuesday, August 1, at 8 p.m.

The committee will report on their activities for the year and officers for the ensuing year will be elected.

All who are interested are welcome to attend.

OBITUARY

Mrs. Hilda Sutherland, of 108 Blyth Street, Altona, passed away at Footscray and District Hospital last Thursday, July 18.

She had resided in Altona for 41 years—firstly in Webb Street, and latterly in Blyth Street. She well remembered the district before any roads and footpaths were constructed or other amenities were available to residents.

Mrs. Sutherland was devoted to her family and will be sadly missed by her family and friends. Given the opportunity she had great pleasure in helping people and was always very generous in her assistance to them.

She is survived by her husband, Mr. Otley Sutherland, three sons and one daughter—Jack, Noel, Ron and Betty (Mrs. Johnston)—and grandchildren, Gail, Robert, Ross, Cheryl and Shane.

On Monday a funeral service was conducted by the Rev. W. Moriarty at St. Eanswythe's Church of England, Altona, and the cortege proceeded to Western Suburbs Memorial Park.

ALTONA HIGH SCHOOL

Altona High School sports teams played games against Altona North High last week.

Both boys teams won the football, 8.6.54 to 2.3.15, and 24.15.159 to 1.3.9.

The first softball team drew 12 all but the second team lost 25-2.

The hockey team won 12-0.

Both the football and hockey teams have had a very successful season. Neither have lost a match.

Within the next two weeks they will be playing their annual friendly games against Oak Park. Oak Park is not now in the same competition as Altona High but an annual sports day is arranged. This year the event will be even more looked forward to as the former head master of Altona High, Mr. Price, is now the head master of Oak Park.

NEWPORT WIN UNEXCITING GAME

The ground at Newport on Saturday was in an appalling condition for the unexciting clash between Newport and Metro. Farm, which the home side won rather easily by 41 points.

Newport v. Metro. Farm					
1st Quarter	1	0	6	0	2
2nd Quarter	4	1	25	0	3
3rd Quarter	6	6	42	2	4
FINAL	9	9	63	3	4

Although attacking constantly in the first term, Newport, with winning rucks, failed to penetrate the solid defence of Farm led by John Aldersea and John Cooney.

However, Newport's under-estimated defence was also on top at the other end of the ground and the game developed into a battle of the respective back lines. Gerry McNamara was very creative at centre half-forward for Newport and his good play enabled pint-sized full forward, Barry Muschialli to score the only major for the term.

Farm were showing an apparent lack of spirit, which was emphasised in the second quarter when a shot from 50 yards out by Newport's "Skinny" Martyn was let bounce through without anybody trying to do anything about it.

Newport were going in for the ball harder and only for captain Johnny Martin, Farm may have found themselves in a hopeless position at half-time. As it was, Newport led by 22 points and seemed to be in a commanding position considering the conditions. Newport attacked immediately the third term got under way and with two goals in five minutes it looked a mat-

ter of how far. Tom Jenkins was scouting the packs effectively and was giving his forwards many opportunities. However, Farm were not to be outdone and after more than 70 minutes of play their first goal was registered when Eric Pengelly received a handpass from his brother George and kicked truly. Another followed within minutes and at "orange" time Newport led by 26 points.

The final quarter was very scrumbly with both sides defending stubbornly. Ken Withers was on top on Newport's half-back line and John Cooney was still starring in the back pocket for the Farm. The game was heading towards a dull finish. Jack Evans was too talented when resting in the forward pocket and his clever play late in the term enabled his side to add three goals and run out easy winners.

BEST: NEWPORT:—Martyn, Jenkins, Hope, McNamara, G. Horner. **METRO. FARM:**—J. Cooney, Wigg, Martin, D. Cooney, Aldersea.

Goals: NEWPORT:—Muschialli 3, Evans 2, Martyn 1, McNamara 1, Jenkins 1, Johnston 1. **METRO. FARM:**—E. Pengelly 1, Dalrymple 1, Martin 1.

CENTRALS TOO VIGOROUS FOR ALT.

In a rugged game at Grant Reserve on Sunday, Central Altona proved too vigorous in the packs and safer in the air for the ever battling Altona.

Altona v. Centrals					
1st Qr.	0	1	2	11	23
2nd Qr.	1	3	9	2	14
3rd Qr.	2	4	16	5	16
FINAL	5	9	39	9	16

With the use of the slight breeze, Centrals set about trying to establish an early commanding lead.

But all they could do was score behinds. Altona struck their straps after 10 minutes of play to send the ball forward but found the Centrals defence too strong.

After scoring 11 points, Centrals at last found the target area and added two quick goals. Geoff Ewen "burnt" in this term for the home side, whilst "Baldy" Szatkowski and John Mercer were very damaging for Centrals.

Centrals immediately went into attack at the start of the second term, but when Alan Bartolo goaled from 50 yards out Altona gave it everything they had.

However, they played the wrong flank for most of the quarter and wasted many opportunities. Whilst this was going on, play became very scrumbly and Altona's chances did not look bright at half-time.

The commencement of the third quarter found the visitors slightly on edge and Altona were playing it hard.

Their forwards were in everything, being capably led by "Darby" Munro. But, Cen-

trals eventually settled down and rattled on three goals because of sheer power football through teamwork.

Eddie Wallace was playing wide of Bartolo in this term and earned many kicks although he was still being overshadowed by his less experienced opponent. Gary Mildern caused an upset in the Centrals plans when he scored a goal into the wind for Altona. This was the first goal into the wind for the game.

John Shaw goaled for Altona soon after the start of the last term.

"Bonga" Hobbs added another and the match became anybody's.

But Centrals' defence, led by Bill Shannon, was brushing aside the poor Altona forwards. Szatkowski then added the first of three goals for Centrals for the term.

This was the end of Altona and it was obvious that they had fallen down badly up forward for most of the day and if they are to do better they will have to remedy this weakness very soon.

BEST: CENTRAL ALTONA.—Szatkowski, Mercer, Johnstone, Kakoschke, Shannon.

ALTONA.—Bartolo, Molloy, J. Shaw Houghton, McLean.

Goals: CENTRAL ALTONA.—Mercer 4, Szatkowski 2, Robinson 2, Hill 1. **ALTONA.**—J. Shaw 2, Hobbs 1, Mildern 1, Bartolo 1.

ALTONA DEFEAT CENTRALS

Disgusting conditions at Langshaws Reserve greeted players when Altona visited their neighbours, Central Altona, on Saturday.

Central Altona v. Altona					
1st Qr.	1	1	7	5	3
2nd Qr.	4	4	28	10	3
3rd Qr.	4	7	31	12	6
FINAL	6	7	43	14	13

Altona, weakened by the loss of many key players, were soon on top and gradually increased their lead as the game progressed.

Noel Rohleder provided the great feature of the game by the way he revelled in the conditions. Noel capped this brilliant game off by kicking five goals. Derek York was tireless in the ruck, and Ian Harris and Barrk Lock were like "brick walls" in defence.

There were some heavy physical clashes and although lacking ability, Centrals lack little in courage. They have teamwork and enthusiasm to build up into a force in years to come. Regulars John Murrell at centre half-back and Brian Trevean roving, were always bobbing up at the right time for Centrals and kept them within respectable distance at the bell.

BEST: ALTONA.—Rohleder, Lock, Harris, York, Richardson. **CENTRAL ALTONA.**—J. Murrell, Glynn, Trevean, Looker, Kennedy.

Goals: ALTONA.—Rohleder 5, Piovesan 3, Rowson 1, R. Peterson 1, Hogan 1, York 1, Newman 1, Tisdale 1. **CENTRAL ALTONA.**—Looker 2, Arnold 2, K. Murrell 1, Marr 1.

ROVERS THRASHED

Werribee South certainly made sure of the four match points when they defeated Williamstown Rovers by 159 points at Chirnside Park on Saturday.

Werribee South v. Rovers					
1st Qr.	4	8	32	2	0
2nd Qr.	11	12	78	2	1
3rd Qr.	19	13	127	2	2
FINAL	25	24	174	2	3

The return of star forward, Barry Robinson, put added life into South's forward line and with Ken Munyard back to his rightful place at centre-half forward, it definitely looked as if South had found an answer to their forward problem. Robinson, by the way, kicked 11 goals.

Ernie Spence, Rovers' captain, and Len Allison, had a great battle in the centre for most of the day and provided the rather small crowd with some highlights in what otherwise was a dull affair. Ron Dingey played his usual "plugging" game in the ruck and Robert Dove was in good form on South's half-back line.

BEST: WERRIBEE SOUTH.—Robinson, A. Gouloupoulos, Hayes, R. Dove, D. Dove, L. Allison. **ROVERS.**—Spence, Dingey, Chamings, Moore, Blair.

Goals: WERRIBEE SOUTH.—Gouloupoulos 11, R. Miller 4, A. Gouloupoulos 3, T. Stoios 2, Garfield 1, Hayes 1, McGregor 1, N. Stoios 1. **ROVERS.**—R. Dingey 1, Moore 1.

Altona can down Sth.

A great clash takes place at Grant Reserve on Saturday when ALTONA meet WERRIBEE SOUTH in the game of the day. South are in third place, but if beaten Altona would take that position and South would drop down to fourth place.

Many highlights should thrill spectators, but the one between Altona spearhead Bill Rowson and South's Rod James should have a big bearing on the result of the game. Incidentally, James plays his 150th game on Saturday. Congratulations Rod.

Many teams find it hard to win at Altona and South should be no exception, although the record book shows that out of the last 30 encounters, South have won on 20 occasions.

On this occasion, however, South will meet a very keen Altona, who possess an abundance of talent and with the best defence in the League, they should have a good win over South.

METRO. FARM do not appear to have the ability to cause any serious worry to I.N.F. at Chirnside Park.

Farm fought well in spasms against Newport last week, but it was obvious that the spirit needed to win matches was sadly lacking. Until they regain this zest it does not look as if they are going to be a force that they were early in the season.

With good rucks and their usual formidable attack, I.N.F. main problem may be the curbing of clever Johnny Martin, but if Peter Wakefield is given plenty of assistance from his fellow teammates he should be able to quieten Martin to the extent that he would not be the driving force that he has proved he can be if given a chance.

Top side NEWPORT should record another good win at the expense of LAVERTON at Laverton on Saturday.

They have been under pressure over recent weeks and will enjoy the thought of having an easy encounter this week.

Laverton do not have the class necessary to cope with the brilliance of Newport's key

men, and may lack physical strength which Newport seem to possess in almost every position.

WILLIAMSTOWN ROVERS are desperately trying to escape that bottom place and on Saturday they have the chance when they meet CENTRAL ALTONA.

Rovers have shown signs of improvement lately and they are beginning to mould into a steady combination, especially in heavy conditions. Centrals seem to be an "in and out" proposition and they will have to be on their toes if they are to win on Saturday.

However, Centrals may have more keenness and enthusiasm and more players in form than Rovers and should record their third win for the season.

CAN ALTONA JUNIORS DEFEAT WERRIBEE STH AT CHIRNSIDE PARK?

On Sunday WERRIBEE SOUTH play ALTONA in the Junior game of the day at Chirnside Park.

Altona could not produce 100 minutes of football last week against Centrals and will have to play better if they are to beat South on the large Chirnside Park.

South have had a good season—they have been beaten by Centrals and Altona—and on their own ground on which they play particularly well, they are sure to give Altona a shake up.

Likely winners (in bold capitals) of other games are as follows—

SOUTH DEFEAT C.Y.M.S.

Werribee South, going in harder, backing up and using more teamwork ran out comfortable winners over W'town C.Y.M.S. at Gray Reserve on Sunday.

C.Y.M.S. v. South					
1st Qr.	2	1	13	3	4
2nd Qr.	3	2	20	5	35
3rd Qr.	4	3	27	12	5
FINAL	6	9	45	13	6

South, with first use of the breeze, soon had three goals on the board. Town not to be denied, fought back gamely and with good play by rover Bruce Moulton, scored a goal against the wind to leave them only two goals down at the first change.

The second quarter saw C.Y.M.S. twice break through the strong South defence to goal and were now within striking distance of their opponents. However, South steadied and combining well, slammed on two goals in reply to regain the lead before half-time.

After the interval South's forwards ran wild and with Bert Allison starring in his roving role, they soon built up a commanding lead.

Town were getting little drive from high flying ruckman Steve Rieger as he was being continually hustled when attempting to mark.

In the last term Williamstown were constantly in attack but could not break through South's tight defence until five minutes to go when they rammed home two quick goals. But it was too late as South had the game in their keeping.

BEST: WERRIBEE SOUTH.—I. McNaughton, W. Edwards, G. McNaughton, Caldwell, B. Allison. **C.Y.M.S.**—Moulton, Gulliver, Campbell, Hynes, Ward.

MARTIN JOINS LEADER IN £100

Metro. Farm captain and coach, Johnny Martin, has joined leader Tom Jenkins on 18 votes in the race for the "Fisher Motors £100" cash award.

These two players are only one vote ahead of Altona's Mario Piovesan, and Ron Dingey of the Rovers. Ken Munyard, of Werribee South, has started to drop back and is now three votes behind on 15.

WERRIBEE WIN WELL

Werribee outclassed Newport in an exhibition that did not justify Werribee's lowly position. The Soldiers' Reserve on Sunday was in near perfect condition.

Werribee v. Newport					
1st Qr.	4	6	30	0	1
2nd Qr.	8	12	60	1	2
3rd Qr.	13	25	103	1	7
FINAL	17	29	131	1	7

From the outset, Werribee showed their superiority and with Don Smith controlling the air, Gavin Sheahan received numerous opportunities and this coupled with a great deal of latitude from Newport's Kite, brought the Werribee Centre-half forward to every move.

As the game progressed, Werribee ran further away and overcame the opposition of Newport's Bob Kite, Kevin Lynch and Andy Stewart.

The method of the respective forward lines was a contrast as Werribee brushed the Newport defence aside, whilst its defence repulsed the attacks of the elusive Stewart.

Although Newport centre-half back, Bob Kite, gained many kicks, he spoilt his effectiveness by allowing Gavin Sheahan far too much latitude. This being illustrated by the fact that Sheahan had 22 shots for goal.

BEST: WERRIBEE.—Martini, Sheahan, D. Smith, Phemister, Puli, Cook. **NEWPORT.**—Lynch, Stewart, Moir, Kite, Paradowski.

Goals: WERRIBEE.—Gavin Sheahan 5, Doolan 3, Czerwinski 3, D. Smith 2, Phemister 1, Martini 1. **NEWPORT.**—Paradowski.

LAVERTON A.L.P.
Correspondence received by the Laverton branch of the Australian Labor Party indicates that some consideration at least is being given to outstanding needs of the district.

The Postmaster General in reply to a letter from the branch stated the matter of vandalism and damage to public telephones would be investigated.

Regarding the expressed need for a footpath in Maher Road, Laverton, alongside the R.A.A.F. Base, the Department of Air reported the matter under consideration with the Werribee Shire Council.

The need for a police station at Laverton had been stressed and a letter from the Chief Secretary's Department stated the work had been given high priority on the program of police works and could commence in the current financial year.

A negative reply was given to the contention that traffic conditions make the foot crossing at the station dangerous. In the absence of sufficient evidence no alteration to the present arrangements would be warranted.

LAVERTON GIRL GUIDES

A special ceremony was held at the new Guide Hall last Thursday evening. Christine Cowley, one of the first six when the 2nd Laverton Brownie Pack was formed, was going up to Guides.

As she left the Brownies, they gave her the Grand Salute and presented her with a locket. They will miss her very much. She was welcomed into the Guide Company by nine Guides and their captain. At the Guide meeting later that evening, Robyn Rose was awarded her 2nd Class Badge. Moya Woolmer was awarded her 2nd Class Badge on July 11.

On Saturday, July 20, a very enjoyable evening was held by all who attended the Scout and Guide social.

INF Jun's Beat Laverton

In a battle of the "dwarfs" at Chirnside Park on Sunday, I.N.F. turned the tables on Laverton to win by 39 points.

I.N.F. v. Laverton					
1st Qr.	3	1	19	2	0
2nd Qr.	7	7	49	3	0
3rd Qr.	8	8	56	4	3
FINAL	9	13	67	4	4

After being beaten narrowly by Laverton earlier in the season, I.N.F. set about this game in a systematic fashion. They opened up a lead of five goals by half-time and looked set for victory.

The second half became very rugged and Laverton were fighting hard to regain lost prestige. However, I.N.F. held them out and after a scramble half of football, ran out comfortable winners.

Best: I.N.F.—Flynn, Reidy, Toftolon, Baxter, Peters. LAVERTON.—Sargent, Jewell, Bannister, Hamilton, Brennan.

Goals: I.N.F.—Masterson 2, McGrath 2, Rigo 2, Chalcraft 1, Flynn 1. LAVERTON.—Jackson 2, Systema 1, Pyne 1.

I.N.F. WIN EASILY

Greater all round strength and ability gave I.N.F. an easy win over Laverton at Laverton on Saturday.

Laverton v. I.N.F.					
1st Qr.	0	2	2	6	5
2nd Qr.	0	2	2	11	9
3rd Qr.	0	3	3	14	16
FINAL	0	6	6	17	20

Very little can be said of this game as I.N.F. had an answer to anything that Laverton came up with. Brian Smith was in good form in the pivot and gave his side many opportunities.

Laverton had very few good players, but Alan Taylor and Alan Fraser tried hard all day against strong odds and it was not their fault that their side finished the game goalless.

Best: I.N.F.—Townsing, B.

CHARITY ASSISTANCE BY WERRIBEE COUNCIL
Reasonable assistance to help Mr. Archie Missen dispose of materials he collects on behalf of charities will be given by the Werribee Shire Council.

Cr. Powell drew the attention of councillors to the charity work undertaken by Mr. Missen and to the fact that he has difficulty in obtaining transport for the papers, &c., he collects. Cr. Powell suggested council trucks could be used for this purpose.

Cr. Richmond agreed it was an excellent suggestion and it was agreed to give him reasonable assistance.

Trade Wastes Dumped

Extensive dumping of trade wastes has been going on for nine months on vacant land along Cynamid Street, Brooklyn.

The Werribee Shire health inspector (Mr. R. K. Andrew) traced the waste to the trade premises of Cedel Products Pty. Ltd. in Doherty's Rd., Brooklyn.

The manager admitted disposing of it there as the Board of Works would not accept it into the outfall sewer.

Mr. Andrew estimated 4400 gallons of solids from tallow settling tanks had been dumped. He reported to the council that the waste was particularly offensive and fly breeding was evident.

After discussions with the directors of the company and the progress being made to clean up the land and their factory, Mr. Andrew recommended to the council that a warning be issued for both the tipping of the rubbish and on the unsanitary state of their trade premises.

He suggested to the company that to improve the sanitary and aesthetic state of the premises they should commence road construction and shrub or tree planting on their property.

The council will issue a warning to the company.

WERRIBEE YOUNG FARMERS

A very enjoyable time was had by all, including the six young farmers from the Werribee Club, when they attended Geelong Club's Ball, which was held at Bannockburn on Friday, July 12.

Werribee Club played host to the Corio District Council's Administration School, which was held in the Werribee clubrooms last weekend. The Werribee Young Farmers would like to express their thanks to all those persons who took part in billeting of the visiting clubs. Also many thanks goes to the two lecturers, Mr. B. F. Glover and Mr. L. S. Barnes, for a very interesting and enjoyable weekend.

The general meeting of the Werribee Young Farmers was held on July 16, and after the meeting a game of "stations" was played.

NEW LAVERTON ROAD

Plans for the proposed roadway to be constructed in front of the shops in Lohse Street, Laverton, were placed before the Werribee Shire Council last week.

The plan submitted by the Victorian Housing Commission shows a bitumen road 24 feet wide.

The shire engineer (Mr. McCormack) contacted the Commission re widening of the road to 36 feet. The Commission is agreeable to the widening if the council meets the cost of the extra 12 feet of bitumen.

Councillors endorsed the action of the engineer and agreed to meet the extra cost involved in widening the road.

WERRIBEE RIFLE CLUB

This Saturday, July 27, a shoot will be held over 700 yards against a team from Lancefield, members are to bring a plate.

RANGER COLLECTS STRAY DOGS

The Werribee Shire Ranger presented the following report for the two months ended June 19, 1963, to the council.

Dogs sent to the Lost Dog's Home—Werribee 12, Laverton 15, Werribee South 7—Total: 34 dogs.

Dogs released to their owner—one each at Werribee and Laverton.

And he attended complaints regarding two dogs.

L'ton. Street Works

Construction of Balmoral Street, Laverton, is proceeding. However, Werribee Shire Engineer, Mr. McCormack, reported to the council that it is near impossible to excavate the Princes Highway end of the street.

He suggested construction of this section may have to be left until next summer.

The Brooklyn Drive-In Theatre is contributing £200 towards the cost of constructing the eastern end of Leakes Road—that is from Fitzgeralds Road to Princes Highway.

The road has been surfaced with crushed rock and when consolidated will be bitumen sealed.

Triple 48" x 36" concrete box culverts have been placed in position on Doherty's Road to eliminate the old concrete floodway.

To complete the works the roadway will be raised and bitumen sealed.

Black top treatment for Maher Road, Epsom Street, part Railway Avenue, and part Bladin Street, Laverton, will be deferred for approximately two months.

Arrangements for the treatment has been made but the shire engineer (Mr. McCormack) considered there is an element of risk involved by laying a thin coat of this material during the cold weather. Council agreed to his suggestion that the job wait for two months.

WERRIBEE GOLF CLUB

SUNDAY'S OPEN CHAMPIONSHIP DAY

**SPORT****WEST NEWPORT
BASEBALL CLUB**

West Newport's A Team won 15-10 on Saturday to take them up to third place on the premiership ladder; the B Team won 27-5 and now have an outside chance of making the finals, and the Juniors lost 6-4 and have now almost no chance of playing in the finals.

A TEAM

After scoring three runs in the first innings, West Newport lapsed badly, and let Newport Baptists go to a 9-3 lead, mainly through errors and lack of concentration.

Newport held West Newport for the next three innings, however, a very lucky break allowed West to score seven runs in the sixth innings and take the lead 10-9.

Good base running and batting scored five more runs for West Newport, and after letting Newport score one run in the ninth and last innings, West Newport won.

This team is now in third place and would have to win every game to make second place, but if this is to be achieved they must learn to concentrate much harder and must NOT take things easy when playing the weaker teams.

Safe Hits: Chris A'Posteles 2, R. McDonald sen. 1, K. Michael 1, A. Solomano 1.

Best Players: R. McDonald sen., D. Henderson and K. Michael.

B TEAM

Playing under muddy conditions the team combined well from the first innings to bat in 10 runs.

Then, with Tony Michael pitching well to Alan White, and the backing up of the field, they held Avondale to one run.

In the fifth innings niggling came into the game and Avondale scored three runs, but after the next frame West came out and played baseball soundly to defeat Avondale 27-5.

The batting showed a big improvement with 18 safe hits scored.

Best Players: A. Parker, K. Barr, R. Scott, D. Mackay and A. Boxshall.

JUNIORS

The Juniors played away to Sunshine and were defeated 6-4.

Playing under wet conditions the Juniors played one of their best games so far this season and were unlucky to be defeated.

The game was played tight by both sides from the first pitched ball. Terry Forrester again pitched to Don Henderson and was backed up by good fielding.

Safe Hits: Terry Forrester 1, Bill Balcum 1, Chris A'Posteles 1.

Best Players: T. Forrester, C. A'Posteles, and W. Balcum.

THIS WEEK'S GAMES

The A Team will play Preston at Loft Reserve, West Newport. All players to be at the ground by 12 noon.

The B Team play Coburg at McDonald Reserve, Bell Street, Coburg, at 12.30 p.m.

The Juniors play Footscray at Loft Reserve, West Newport, at 9.30 a.m.

TEAMS FOR SATURDAY
A TEAM.—K. Michael, J. Michael, A. Solomano, R. McDonald sen., J. Armstrong, R. McDonald jun., J. Reale, D. Henderson, C. A'Posteles, T. Forrester.

B TEAM.—T. Michael, A. White, D. Bearman, N. Toskas, D. Mackay, R. Scott, A. Boxshall, K. Barr, A. Parker, P. Campbell, D. Swallowell.

ALTONA HOCKEY LOSE 3-2

Altona, playing a more experienced side, were in a desperate position at half-time, with M.C.C. leading 2-0. In the second half the young Altona team showed spirit when they fought back to within a goal of winning.

Altona were into attack almost the whole of this half, and R. Smith scored 2 goals. Bad shooting at goal by the forward line in general proved that only balls in the net win matches.

Final Scores: M.C.C. 3, defeated Altona 2.
Best: R. Smith and R. Caruthers.

B GRADE.—Footscray, 10th on the ladder, and Altona top, should have been a good win to Altona.

However, not until the 2nd half did Altona show form by scoring three quick goals to win 4-1.

In the first half Altona failed to convert many scoring shots due to an overconfident attitude in the circle.

Footscray in the second half scored a penalty to even the scores and looked like they could go on and win, but with positional changes, Altona got on top.

Goals: K. Burgess 2, R. Turner 1, J. Gordon 1.

Best: K. Burgess and A. Docker.

C GRADE.—Altona had an easy win over University, the scores being Altona 4, University 1.

Goals: S. Hyde 3, A. Wieganga 1.

UNDER AGE HOCKEY

UNDER 15 defeated Strathmore 6-0 in a one sided game at Altona. The locals were in attack from the start and only bad play up forward stopped goals from being passed.

Finally, a pass to Spackman, who drew the defence, and passed to John Duncan, made no mistake.

Altona really came to life and gave a fine display of thoughtful hockey and at the change were 4 goals up.

In the second half the game deteriorated as too many forwards became goal hungry, with the exception of Charlie Abela, who gave a good display of unselfish hockey.

Best: C. Abela, J. Duncan and R. Ford.

Goals: B. Duncan 2, David Spackman 2, J. Duncan 1, J. Hunter 1.

UNDER 13.—Altona played the top team on Saturday and were not disgraced by the final scores.

The highlight of the game was the excellent goal keeping by R. Lukosezek. The keenness of these boys is shown when at least 20 players turn up each week to fill a team of 11 players.

THIS WEEK'S GAMES

A Grade v. Ivanhoe away at 1.45 p.m.

B Grade v. Fairfield away at 3.30 p.m.

C Grade v. Essendon at home at 3.30 p.m.

Under 15 v. Power House away at 10.30 a.m.

Under 13 v. Greensborough away at 10.30 a.m.

YACHTING NEWS

The annual general meeting of the Altona Yacht Club will be held this Friday, July 26, at 8 p.m. in the clubrooms. As this meeting is to elect the flag officers &c., for the coming season all members are requested to attend.

Although the sailing season is still two or three months away, six boats have been added to the club's fleet since the close of the 1962-63 season.

The club now boasts strong fleets in both the Hornet and Moth Classes. In addition another design, recently introduced to Port Phillip Bay, the Hornet Class, should start this season with three boats.

**ALTONA DART
LEAGUE NOTES****DIVISION 1****1st SEMI-FINAL**

Altona Council proved too strong for Altona Darts when they swept into the preliminary final by winning five games.

Council sounded the "death knell" for Darts when they notched the first three games. K. Kearney (Darts) won his game in very easy style by having 132 opening start.

2nd SEMI-FINAL

This Thursday, July 25, at Marions Hall, Bristol Hotel and Union Carbide meet. This will be keenly contested, as Carbide has beaten Bristol each time they met. The loser will have a second chance to play-off for the premiership when they meet Altona Council in the preliminary final.

DIVISION 2**PRELIMINARY FINAL**

Ad Astra made no mistake when they "went through" Williamstown Hostel in the singles games, by winning five singles.

Ad Astra now meet Crown Jewels this Thursday night, at Marions Hall, for the premiership.

Both teams are very confident, but Crown Jewels are favourites.

DIVISION 3

Central Altona easily disposed of Bristol by six games. At the time of going to Press, this was the only score received.

THIS WEEK'S GAMES

This week's games (with likely winners in black capitals) are—

Bristol Ad v. TERMINUS HOTEL. Ad Astra v. CENTRAL ALTONA. Crown Jewels v. BROOKLYN HOSTEL.

This will be the last home and home game for Division 3, and Central Altona cannot be pushed off top position, and the final four would appear to be Central Altona, Ad Astra, Terminus Hotel and Brooklyn Hostel.

**"ALTONA STAR"
KNOCK-OUT COMP.**

The second round of the knock-out competition is under way and to date the following results have been received—

Central Altona 5, defeated Williamstown Hostel 4. Al bright & Wilson 5, defeated Ad Astra 4. Altona Darts 7, defeated Union Carbide 2.

INTER-LEAGUE MATCH

Mountain Districts Dart League journey to Altona to contest the first challenge contest.

The large audience were treated to some spectacular dart throwing and to watch the Mountain Districts League emerge the victors by 10 games to 5.

Altona now travel to the 'hills' in October for the 2nd game.

**KOORINGAL GOLF
ASSOCIATES**

The Associates had a struggle against the foggy weather on Wednesday, but had a good time in spite of it. Results of the 16-hole stroke were—

A GRADE: Mrs. V. Jacobson (18), 70 net.

B GRADE: Mrs. M. Murphy (36), 67 net.

TABLE TENNIS NEWS

The 1963 Annual Tournament of the Western Suburbs Association was concluded last Friday evening after five nights of intensive play at the Table Tennis Centre in Garden Street, W'town.

The main event, the A Grade Singles Championship, went to Terry Smith, of Roselea Court, Sunshine, a top ranking player of both Sunshine and Western Suburbs Associations, and current holder of the Sunshine singles title. This was Smith's eighth attempt to win the title, and as he had been runner-up on two previous occasions, and had shared the A Grade doubles title (with Ralph Miller) on six occasions, his success was a pleasant and well-merited victory.

Runner-up to Smith was useful David Wylie, aged 17 years, and unseeded in the A Grade events. David played the best table tennis of his career to win his way into the finals of three main events—junior singles, A grade doubles and singles. He won the junior singles title comfortably from another teenager, David Rey, 21-12, 21-10. Following this, he teamed with Paul Rogers, of Maidstone, to win the A Grade doubles title 21-17, 21-16, 14-21, 21-19, from A. Walker and R. Rowan in a terrific match with all four players revealing exceptional ability.

In his pathway to the final, David eliminated three seeded players, R. Rowan, J. Lawler and P. Rogers, and had he captured the elusive A Grade title, it would have created an all-time record, as the junior and senior titles have never yet been won by the same player.

Alby Walker, one of the favourites for the title, was somewhat below form, and lost to Smith in the semi-final 21-16, 21-14, 23-21.

OTHER EVENTS

In the D Grade singles championship, promising junior, Michael Brodie, came up against an experienced and redoubtable player in Tom Smith from Altona, with Tom winning in three sets—21-17, 19-21, 21-16.

FINAL RESULTS

A Singles: Terry Smith d. David Wylie, 21-7, 21-15, 21-14.

A Doubles: D. Wylie-P. Rogers d. A. Walker-R. Rowan 18-21, 21-17, 21-16, 14-21, 21-19.

B Singles: Ken Bradie d. Richard Ross 21-15, 21-12.

B Doubles: R. Ross-W. Pilwein d. R. Arnott-A. Zino.

C Singles: E. Toomey d. D. Whitten 21-16, 21-18.

C Doubles: D. Whitten-H. Gstrein d. E. Toomey-R. Coombs 23-21, 21-11.

D Singles: Tom Smith d. M. Brodie 21-17, 19-21, 21-16.

D Doubles: J. Robinson-W. Deane d. N. Ellis-J. Hayne 21-16, 20-22, 21-18.

Junior Singles: David Wylie d. David Dey 21-12, 21-10.

Y.C.W. FOOTBALL

After an even first half, Braybrook had little difficulty drawing away from Altona and finally running out victors 7.11.53 to Altona's 3.8.26.

Best players for Altona were M. Robers, playing his first game, K. Thompson, M. Allen, T. Walsh and S. Driscoll. Goalkickers were M. Allen, M. Calaz and M. Roberts.

**JUNIOR TENNIS TEAMS
FOR SUNDAY**

No. 1 Team.—K. Flett, V. Grdovitch, K. Walsh, S. Rose, M. Mochon, E. Blunt, Emer.: G. Findlay, G. Harrington.
No. 2 Team.—G. Findlay, T. Mochon, G. McIntosh, S. Murphy, J. Huggins, C. Gunn, Emer.: B. Rafferty, A. Rafferty.
Both teams are playing away.

FINED FOR RIDING UNREGISTERED MOTOR BIKE

Ronald George Loversidge, of Grieve Highway, Altona, was found guilty at Williamstown Court of three charges arising out of riding a motor cycle in Queen Street, Altona, on May 31.

Constable Keegan of Altona said the defendant was not wearing a helmet and was riding an unregistered motor cycle. Loversidge said he was riding the cycle because it was too far to push it to his father's house where he had left his helmet.

Loversidge was charged with riding a motor cycle that was not registered, for riding the cycle without having it covered by insurance, and for not wearing a protective helmet.

He was fined £5 on each of the three charges.

THE D.L.P. SAYS...

(The following article was contributed to the "Altona Star" by the Labor Federal Electorate Council of the Democratic Labor Party. C. P. Meehan, Secretary.)
The 22nd Congress of the Soviet Communist Party gave Soviet and foreign communists a number of pointers for future action and propaganda.

One of the pointers referred to the importance of the "peace" campaign, and so we find the comrades and their fellow travellers ever ready to play the "peace game."

In an article in the July 1962 issue of the "Communist Review" the author urges the Australian peace movement to "organise and lead broad masses" into action "for peace," "to establish atom-free zones" and "to prevent provocation intervention in the domestic affairs of other countries as is Laos and Vietnam."

Of course these efforts are only to be directed against America and her allies. The huge build-up of armaments in Russia and China, Russian nuclear stock-piling, and Communist intervention in the domestic affairs of other countries including Laos and Vietnam is only for peace, according to the Communists.

The "Communist Review" article goes on to commend very highly "the recent statement in Parliament by Mr. A. A. Calwell, leader of the Opposition, calling for an atom-free zone in the southern hemisphere." "This position taken up by Mr. Calwell," the article states, "is the most

advanced stand yet adopted by any Labor Party leader. It certainly contrasts sharply with the cold-war policies of the British Labor Party leader ship."

In the lights of this background it is interesting to read that the Federal Labor Member for Yarra, Dr. J. M. Cairns was principal speaker at the C.N.D. (Campaign for Nuclear Disarmament) public meeting held at the Ross Memorial Hall, Hay Street, Perth, on July 2.

Earlier this organisation had pledged itself to seek out and make public any secrets of the radio base at Exmouth Gulf in the same manner as the "Spies for Peace" in Britain. Dr. Cairns told the meeting that when the A.L.P. gained office the U.S. would have to accept its conditions on the Exmouth Gulf radio base or get out.

Is it any wonder that the A.L.P. has not gained the confidence of the public? On its present form it is likely to remain in the political wilderness for a long time to come.

LABOR VIEWS

(The following article has been contributed to the "Star" by the Central Executive of the Australian Labor Party.)

If pensioners, widows with children and families on lower incomes cannot afford butter then they must eat dry bread. That is the dictum laid down in the Federal Parliament by the Country Party Member for Gippsland, Mr. J. Nixon.

Mr. Nixon's comment was made when he was attacking the A.L.P. Member for Grayndler, Mr. Fred Daly, for daring to raise the plight of those who could not afford butter. Mr. Daly urged the Government to devise a system which would not only return a fair price to the dairy farmer, but bring butter within reach of all families.

This was not to Mr. Nixon's liking. He merely said that he was sorry for those who could not afford butter and then proceeded to heap abuse upon the Australian Labor Party.

Mr. Nixon is a comparative new-comer to the Federal Parliament and is obviously struggling to make a reputation for himself by discrediting the A.L.P. He has rarely put forward a positive suggestion but seeks to score off the unfortunate people within the Australian community.

A callous indifference to the poverty stricken was what sparked off the great revolutions of the 18th and 19th Centuries. Nowadays, even conservative governments dare not ignore the plight of the weaker in society. But now Mr. Nixon, on behalf of the Country Party, and backed by the Liberal Party, revives the mental approach of Marie Antoinette.

For 13 years, pensioners, widows, returned servicemen and the like have struggled to survive under a Country Party Minister for Social Services.

Year after year the effective purchasing power of all social services has dwindled. Added to this comes a man with a

solution—eat dry bread.

It is this kind of inhumane approach which is bringing democracy into disrepute.

Whenever the Australian Labor Party has been in power all sections of the community have benefited. The primary producer has a right to expect a fair and adequate return for his product.

At the same time the pensioner has a right to enjoy his life without poverty staring him in the face.

If fewer people are eating butter than 10 years ago, then the Government should be finding out the reasons why. If pensioners cannot afford butter because the price is too high, then Government should boost their pensions. If margarine is injurious to health, as Mr. Nixon suggested he should be among the first to seek out ways of bringing butter within the reach of all.

Instead Government Members ignore the plight of pensioners and heap abuse upon the A.L.P. Members every time the issue is raised.

Has Australian democracy reached such a low ebb that certain Parliamentary representatives ignore the real issues and indulge in abuse?

FINED FOR UNROADWORTHY CAR

Ian Harrington, aged 18 years, of Railway St., Altona, was fined £5 at Williamstown Court for driving a car which was unroadworthy.

Const. J. Stevens stopped the car in Millers Road, Altona North, on May 1. On inspecting it for roadworthiness he found the headlights, parking lights and tail lights not in working order, the brakes needed adjusting, the horn needed repairing and there was no rear vision mirror. One tyre was smooth and the front wheel bearings required checking.

Harrington was charged

with driving on a highway in a car which was not in good mechanical order or in a safe and serviceable condition. He pleaded not guilty.

Defendant told the court on the day his car was checked he was on his way to school. He said he had just purchased the car and intended checking it over later that day.

He was fined £5.

KEPT PIGS

For keeping pigs on his property, Marion Dombrowski, of Maddox Road, West Newport, was fined £7/10/- on each of two charges.

Mr. N. Hawthorne, senior health inspector of Williamstown, inspected Dombrowski's premises, which consisted of two rooms, independent of each other, with no drainage or spouting on them.

In the second main structure there were washing troughs and furniture with no proper flooring or drainage. Waste water ran on to the ground. There were also a number of dilapidated sheds along the fence on the Grieve Street side of the property. The drainage was so bad that to save walking on the filthy liquid, planking had been laid on the ground.

On the ground was old fowl food, scraps, old utensils and fowl manure—8-9" high.

Another shed in the back corner contained two large pigs and the stench was overpowering.

The defendant was not at home when Mr. Hawthorne inspected and photographed the premises. He left a copy of matters needing attention. The next day defendant visited Mr. Hawthorne at his office and said he had been sick for some time.

Mr. Hawthorne again inspected the premises on July 9 and found the pigs had been removed, some attempt had been made to clean the yard but conditions were still very bad.

During his evidence in the court, defendant, a new Australian, said he also had some

horses and goats on the property, he then stated everyone was against him and became too emotional to be further understood.

Two previous convictions were proved by Mr. Hawthorne. Defendant was charged for constructing two rooms not in accordance with the building regulations, and with using a building, not in accordance with the regulations, as a dwelling.

ROAD WEIGHT LIMIT

Steps are being taken by the shire engineer (Mr. R. C. Simms) to install signs in Sussex Street and Stirling Avenue prohibiting trucks over a certain weight using these streets.

A resident of Cambridge Street drew council's attention to the heavy traffic using Cambridge and nearby streets in connection with the railway bridge works. Mud from the wheels of trucks was also causing a mess.

As there is access to the railway bridge site from the Altona Road adjacent to Cresser Reserve, council proposes to prohibit heavy trucks using the other streets.

LIFESAVING CLUB NEWS

TRAINING NEWS
Monday night: 6.30 to 7.45 p.m.: junior boys and girls will train for their Bronze Medallion.

Wednesday night 6.30 to 7.30 p.m.: junior girls who have obtained their Bronze Medallion will train for their Reel and Line certificate.

Thursday night 6.30 to 7.45 p.m.: junior boys who have also obtained their Bronze Medallion will train for their Reel and Line certificate.

PARENTS NIGHT

Last Wednesday night many parents braved the cold to come down to the club house to see their children demonstrate all phases of their training. Junior and senior members gave a fine display of various methods of resuscitation and later in the evening, entertained their parents by demonstrating the various ball room dances they had learned over the last few weeks. The parents were taken on a tour of inspection of new premises and to say the least, they were very much impressed.

It is hoped to hold another open night in the very near future.
